Terrain non constructible Saint-Maximin-la-Sainte-Baume

NON-BUILDABLE LAND, In a forest setting, this land offers easy access close to the highway, but requires the recreation of a path by clearing brush to be able to walk there. Composed of various Mediterranean plants, its nature is partly in **NATURAL** zone and in agricultural zone, rather flat with stone terraces It offers a magnificent view, but its potential is not revealed because of the many trees. Ideal as a leisure area to enjoy a corner of forest near the center of St Maximin Come and find out quickly by calling us on 04 94 777 763 Ref. : 608V1136T - Mandat n°497
